ENGLISH

We are a jazz quartet (trumpet, keyboards, bass & jazz percussion), and thus deal basically with a more acoustic sound on stage. What we need from your side at arrival for sound check is:

- A trumpet mic including amplifying sound system
- Piano or Fender Rhodes keyboard or both
- A bass amp / double-bass (optional)

CHANNELS

#1 Trumpet: Rev MD421 or KMS103

#2 Keyboards: Comp, Rev KM184 & 1 DI for piano effects, if an acoustic piano is at disposal

#3 Double-bass: Comp, Rev by own DPA4099 (+48V) & realist pick-up

#4 Jazz percussion: 4 overheads & 1 Mic for Cajon (inside miking)
